

# JENNIFER PRIDEMORE

SOFTWARE ENGINEERING LEAD AT ZIPLINE

+1 240 409 3070 | JennPride08@gmail.com | www.JennPridemore.com

## MY GOALS

I aspire to make a positive impact on the world through my career, utilizing both my knowledge of technology and business to make a difference.

## AT A GLANCE

I've built full stack production applications since 2013, with an emphasis on web and mobile design. I've lead several teams on dozens of initiatives, all while still acting as a key contributor to the code. Since 2012, I've worked at 5 different startups varying in size from 7 - 1000+ employees, and am always seeking to make a large impact in my role.

## SKILLS

HTML	Photoshop
CSS	Illustrator
Git	Procreate
Excel	Google Analytics
WordPress	Google AdWords

## WORK EXPERIENCE

**SOFTWARE ENGINEERING LEAD**  
(August 2021 - Present)

**Zipline**

- Leading a growing team of engineers in the development of solutions for ordering, inventory, and shipping
- Regularly developing full stack features and bug fixes as well as leading large scale migrations to green field applications
- Creating and communicating my team's roadmap and long term vision to the entire organization and external stakeholders

**SENIOR SOFTWARE ENGINEER**  
(Dec 2018 - July 2021)

**Storyblocks**

- Actively leading, managing, and on-boarding engineers at all levels with a focus on mentorship
- Lead a team of engineers in the creation of an audio review process, built out in a brand new Typescript application using Redux and Tailwind.
- Worked on projects including the removal of customer offering, a Redux dashboard accessing, watermarking and encoding audio content using FFMPEG, and backfilling of over 20 million pieces of content from 4 different sources into a single improved MongoDB instance

**FOUNDING FRONT END ENGINEER**  
(Oct 2017 - Oct 2018)

**Agnes.io**

- One of two frontend engineers to build out the Agnes mobile application in Ionic and AngularJS
- Lead the development in Agnes' web offering in React

## EDUCATION

**DUAL BACHELOR OF SCIENCE DEGREE**  
(August 2012 - May 2016)

University of Maryland, College Park  
Robert H. Smith School of Business  
Graduated with a double degree in Information Systems and Marketing, and a minor in Spanish.
